and all who live in the same house with you. This year of its several attractive pluses for our readers is a specially large circulation. One of these is the Free Living Library plan whereby every subscriber, by taking this paper may become a member of a lending library with in small have few or many good books for him to

THE

same time conferring benefit on all subscribers who may be inclined to read it. One of the most attractive features of the Witness which is peculiar to it alone in Canada but which has been adopted in the United States in the same way as first laid down by the MONTREAL WITNESS, is the prizes offered to subscribers in public schools for the best stories of life and adventure in Canada. From

east and west to the Atlantic and to the Pacific Oceans, including Newfoundland, the key island of the Gulf, have come stories of some of which have been written in literary style by professional writers, and many of which contain new and valuable facts in Canadian history. Amongst the many authorities who

to the excellence of these stories are the prizes in each province who award the prizes and the inspectors and teachers of schools in every portion of the Dominion and Newfoundland, as well as the newspapers, who speak kindly of them and reublish some of them. In addition to the House hold and Question and Answer department the Market Report, the live and stirring Editorial Articles, the Serial Stories, and in fact the whole body of the paper, make it a welcome member of the family in every household where it is taken. In November the WEEKLY WITNESS was enlarged by more than a page, thus making an enlargement equal to two pages a week within two years, adding greatly to its value and interest. The WEEKLY WITNESS is mailed free to subscribers in Canada; Great Britain and the United States for \$1.00 a year; the DAILY WITNESS for \$2.00 a year; and the NORTHERN WITNESS for 30 cents a year. F. C. Baker has a nice assortment of china and glassware for the Xmas trade.

The cuts of Prince Albert which have appeared in the Free Press were copied from photographs made at Prince Albert photo gallery. This is an excellent proof of the good work which our photographer daily produces.

Reliable Agents Wanted. The Cosmopolitan Life Association, Head Office, Toronto, is appointing reliable agents all over Canada. Popularity, security, equity and liberality characterize the Cosmopolitan. Application for territory should be made at once.

Sometwelve members of the Prince Albert Snow Shoe Club had their first tramp out on Friday evening. Some amusing incidents occurred on the way. The route pursued was up the river on the South shore, around Maple Island, then down the north shore to the town, covering about five miles. Not bad for the first attempt. The party then adjourned to the Queen's, where supper was partaken of and a few hours spent in social enjoyment.

A few days ago one of our reporters—in company with a party of ladies and gentlemen—paid a visit to Mr. R. J. Pritchard's ranch, some miles north of the town. There we found everything in connection with the ranch in first-class order, the stables clean, warm and comfortable, and plenty of fodder on hand. The stock, of which there is about 100 head, are in first-class condition, the majority of them being fit for beef. Mr. Pritchard feels proud, and justly so, of his fine band of cattle, many of which are thoroughbreds. Mr. W. Gunn is in charge of the ranch.

Indian Commissioner Reed arrived in town by Saturday's train, and is the guest of Major Cotton at the Barracks. The Commissioner is on an official tour around the different agencies, and reports all peace and quietness among our Canadian Indians.

Capt. Meyers, of Carrot River, came into town on Saturday evening, and made us a pleasant call. It is about a year and a half since the Captain was in Prince Albert, and he notes with surprise the improvements that have been accomplished since his last visit. Mrs. Meyers—the Captain's mother—accompanied him, and will remain a month or so, during which time she will be the guest of Mrs. Rogers.

The Town Treasurer, Mr. J. F. A. Stull, held a sale of land for unpaid taxes on Saturday last. Quite a number of the lots had been withdrawn, as the owners had in the meantime paid the taxes due on them. The sale in the morning was quite successful, but in the afternoon the attendance of buyers being slim, it was postponed to Tuesday evening, but buyers being scarce, the sale was again postponed till next Tuesday evening.

The amateur dramatic club of the town purpose shortly giving an entertainment for the benefit of St. Alban's church. The performance will take place in the new hall at the Barracks, and from what we have seen of the programme, promises to be one of the best entertainments ever given in the town. We have no doubt but that a crowded house will greet the performers, amongst whom are many of the leading talent of the place.

"Constant improvement" must be the motto of Hood's Calendar, for every year it seems handsomer than the year before. The issue for '91 represents two boys and a girl playing musical instruments, all brought out in beautiful colors. The pad below is also in color, with the figures clear and plain. Hood's Calendar is so popular that the edition for '91 is 5,000,000 copies, or nearly 5 million more than ever before. Ask your druggist for a copy or send 6 cents for one, 10 cents for two, to C. I. Hood, Lowell, Mass.

Mr. W. Fawcett returned home on Saturday evening. Mr. Fawcett had been east on a business trip, his object being the purchase of a machine for the manufacture of bricks. He informs us that he has purchased a first class machine of the best manufacture, a steam engine and all the other necessities required for the carrying on and making of a good pressed brick. He is now commencing operations in the spring as soon as possible, and will have a man to charge who thoroughly understands the business. We wish him all the success his enterprise deserves.

GET A FLAG

FOR YOUR

SCHOOLHOUSE

The movement for hoisting the Canadian flag on the schoolhouses on anniversaries of noted events in our history is spreading rapidly throughout the Dominion and evoking the hearty approval of all patriotic citizens. Already

has done its share in helping on this movement, by awarding a handsome flag to one school in each county of Ontario, and the same will be done in all parts of the Dominion as to how flags can be obtained by other schools has determined the publishers of THE EMPIRE to offer a handsome

CANADIAN FLAG of 5 ft. by 12 ft. long (regular price \$15), as a premium for 20 new yearly subscribers to THE WEEKLY EMPIRE. \$100.00 cash yearly subscribers to THE DAILY EMPIRE at \$5 per annum, or a proportionate one, one subscription to Daily coming for 1000 Weeks.

Every school in the Dominion ought to have a national flag, and this offer presents an opportunity for each obtaining it without cost, and with little trouble. Let those who are interested in getting a flag for their school-house join in getting up a club, and while subscribers get full value for the money in the best newspaper in the Dominion, the school obtains a flag FREE OF COST.

The WEEKLY EMPIRE has recently been enlarged to twelve pages, and is now, without doubt, the best weekly newspaper in Canada, while the reputation of THE DAILY EMPIRE as the leading morning journal of the Dominion is well known.

Send for sample copies and special clubbing lists, and go in for a flag for your school.
